(Including but not limited to Multiple business, frontage calculations (corner lots), freestanding signs (one or two sided), canopy/awing information etc.)

Open discussion took place.

Staff Reports

Clerk – The bus stop will continue to be built and should be completed soon. NWP is still moving forward and should be closing at the end of November. Construction to begin the Spring. Food bank drainage is still an issue and it is not likely that we will be able to fix this fall, therefore we will keep a close eye on the issue until next Spring when we will install a new storm drain inlet. This would free up more parking for them as well.

Administrator – Attended the Economic Summit in McCall. Chance Hobbs indicated that NWP are still trying to work with financing issues since the upgrades were more than originally expected.

Gene Tyler – Also attended the Economic Summit, received a lot of good information and the Valley County community is working together as a whole and will continue to be united.

Maggie Bryant – Asked if the City could give our library memberships to the Donnelly Elementary Students.

ADJOURN

Motion by Dorris, 2nd by Tyler to adjourn until the next regular scheduled meeting at 6:00 p.m. November 7, 2016. Motion carried.
