CHAPTER 4

THE STIBNITE FOUNDATION

- 1) Within 90 days of the Effective Date of this Community Agreement, Midas Gold shall establish the Stibnite Foundation, and shall apply for status of the Stibnite Foundation as a 501(c)3 organization, in order to provide a long-term and sustainable mechanism to fund projects that are of benefit to the Communities.
- 2) Midas Gold shall provide funding to the Stibnite Foundation as noted below in this Community Agreement.
- 3) The Parties do not intend that the Stibnite Foundation funding be used to address direct impacts of the Stibnite Gold Project as the Parties anticipate such matters will be addressed by the NEPA process and/or in permits that may be granted by regulatory agencies.
- 4) The Parties intend that the Stibnite Foundation Board coordinate with the Stibnite Advisory Council in resolving matters that are important to the Communities and that may be indirectly associated with the impact of the Project, or matters that are not addressed by formal regulatory processes. All eligible entities, including any entity that is a signatory to this Agreement and any entity that is not a signatory to this Agreement, may apply to the Stibnite Foundation for funding.
- 5) The Parties intend for the Stibnite Foundation to award funding for projects that are, among other things, likely to provide benefits to the Communities of the region. - 7) The Parties intend that the Stibnite Foundation create an endowment that will continue beyond the conclusion of the Stibnite Gold Project, and therefore the obligation of each Party to designate a Board Member on an annual basis shall survive the termination of this Community Agreement.
- 8) Midas Gold’s designee shall serve as the initial Chair of the Stibnite Foundation.
- 9) The Parties intend that individuals appointed as Board Members provide guidance regarding the rules governing the Stibnite Foundation.

- 10) At any time, and at its sole discretion, a Party may remove its designee from the Stibnite Foundation Board. The Party shall take reasonable steps to designate a replacement.
- 11) As the Stibnite Gold Project progresses, Midas Gold will share the results of its growth with the Stibnite Foundation and, by extension, with the Communities. Accordingly, Midas Gold will provide the following to the Stibnite Foundation:

 - i) Any amount in excess of the Calculated Payment needed to achieve the Minimum Payment in any given year of commercial production will be considered as an advance on future payments and the overpayment amount(s) will be carried forward to offset the payment(s) in the subsequent year(s) of commercial production that exceed the Minimum Payment.
 - g) Upon commencement of the final reclamation phase of the Stibnite Gold Project, as publicly declared by Midas Gold Corp., Midas Gold shall make a final, one-time grant of \$1 million to the Stibnite Foundation.
- 12) The Parties intend that the shares of Midas Gold Corp. donated to the Stibnite Foundation be retained longer-term in order to provide the basis for a lasting endowment and that, in addition, a certain percentage of the cash component should be retained as part of the long-term endowment, with the substantial majority of the cash component being distributed each year.
