## PARKING DURING SNOW SEASON

It is that time of year again and it is time to talk about parking on the streets during snow season. The City ordinance states that it is unlawful to interfere with Snow Removal on any city right of way at anytime or in any manner which will obstruct or hinder snow removal operations, or to leave any vehicle or trailer unattended during this time.

**Snow removal operations from November 1 to March 31 of the following year are presumed to occur daily along State Highway 55, East Roseberry Road & West Roseberry Road between the hours of 3:00 a.m. to 7:00 a.m. and on all other streets and city right of ways between the hours of 3:00 a.m. to 12:00 noon. Any one violating this ordinance will be towed at owner's expense.** Rule of thumb: If the snow plow is not able to make two clean passes down each street or if your vehicle / trailer is parked on the street you may be towed. Complete Ordinance found at [www.cityofdonnelly.org](http://www.cityofdonnelly.org).

Remember it's a community effort!
