DISCUSSION ITEMS

BUSINESS AGENDA: (Action Items)

AB 21-37 Valley County Pathways MOU-Steve Stuebner and Brett Shepherd

Valley County Pathways would like to see a long-term agreement for public trail along east side of airport. Access agreement has been obtained by owner of land accessing airport. Build trail at Valley County Pathways expense, insurance, and maintenance.

Mayor Dorris stated that the city is not comfortable with the proposed non-revokable easement. Two-to-three-year trial period to see how the pathway is going to exist next to the airport, before talking of a more permanent arrangement.

Wesley Smith, local pilot, safety concerns, directional control may be lost. Coski Memorial Airport is a FAA Charted runway.

Ken Minshall, airport manager, city needs to consider growth, future use as airport service road.

Councilmember Bergquist, is the agreement/easement accessing the airport secure, what if property sales? Valley Pathways will review wording of land access easement and follow up with the city.
